

Mac Choir Booster Club Board Meeting Minutes

October 13, 2021
Meeting via Zoom

Attendees:

All booster officers present; other attendees on list

Fall Concert Decorations

- Still need volunteers to gather/coordinate decorations for the concert Oct. 26 in the MAC
- Hillery suggested setting up a sign-up genius for this
- Stacy may have scarecrow and some decorations to lend/donate; will check
- We will look into purchasing some pumpkins/asking for families to sponsor/purchase a pumpkin that they can take home after the concert

No-hassle Fundraiser at concert and Financial Report

- Jay met with McCallum bookkeeper; no activity since last spring
- T-shirt \$ came from Choir budget
- Do we want to sell T-shirts at concert? Need to check inventory
- Probably will make enough with no-hassle “fundraiser” (not actual fundraiser, since it’s donations)

Cabaret is moved to next semester

Senior blankets

- Dana will collect names of all seniors and choir majors for blankets we give them at end of year
- A name on a blanket last year had to be corrected and vendor was kind enough to redo but we want to make sure all are correct this year

Mr. Mabry is leaving McCallum at end of the semester. No word yet on his replacement.

Other business:

Parents expressed concern about not receiving information about upcoming events.

A few ideas were circulated about how to improve communication between choir program and parents. With Director not at meeting to answer questions, booster club officers will follow up with Director to address communication issues.
